### *Background Information:*

A Model United Nations (MUN) is a meeting where students authentically simulate negotiations of specific committees and organs of the United Nations. Participants choose a country and research their chosen country's position regarding a specific topic. The Model United Nations Club serves as local centre for MUN related activities in Austrian cities. The Club is one of the projects of the United Nations Youth and Student Association of Austria - Academic Forum for Foreign Affairs (UNYSA-AUSTRIAFA) which is in charge of the MUN activities in Austria.
