

UNITED NATIONS YOUTH AND STUDENT
ASSOCIATION OF AUSTRIA IN VIENNA

INVITATION

Wednesday, 18 April 2007, 7 p.m.

As non-partisan organization for young people, students and graduates interested in international issues the United Nations Youth and Student Association of Austria (UNYSA-AUSTRIA - AFA) regularly organizes lectures and panel discussions to issues of international importance.

With the event series **"Nuclear Non Proliferation"** the UNYSA-AUSTRIA - AFA in Vienna will give the **representatives** of the **Islamic Republic of Iran**, the **United States of America** and the **International Atomic Energy Agency** the possibility to underline their positions and will motivate students and young graduates to a lively and especially critical discussion on each actors opinion.

Further information available at: <http://afa.at/sispr>
