INVITATION

STRENGTHENING KOSOVO'S STATEHOOD: CHALLENGES AND SUCCESS STORIES

The completion of the Republic of Kosovo's state-building mission. While its status was settled once and for all in 2008, in line with international law, it continues to face challenges on the international stage. The discussion will focus on the Republic of Kosovo's next steps as it seeks further recognitions and membership to key international institutions.

As the former Chief of Staff to former President Sejdiu, a five-time elected Member of Parliament and former Acting President, President Osmani has been involved in Kosovo's state-building from the very inception and will talk about the future of the country she now leads.

Vjosa Osmani-Sadriu

President of the Republic of Kosovo

Welcome and moderation:
