

**International Atomic Energy Agency**

Distr.: General
09 August 2006

Resolution 03 (2006)

Adopted by the Board of Governors of the IAEA at its 12th meeting, on 09 August 2006

The Board of Governors,

Convinced that nuclear weapons pose a serious danger to international peace, security and stability,

Desiring peaceful and diplomatic measures to denuclearise the Korean Peninsula,

Expressing grave concern on the launch of ballistic missiles by the DPRK, given its potential to be used as means to deliver nuclear, chemical or biological payloads,

Seriously concerned with the DPRK's withdrawal from the Treaty of Non-Proliferation (NPT),

1. *Recalls* the SC Resolution 1695, demanding the DPRK
 - a) to suspend all activities related to its ballistic missile program and in this context
 - b) to re-establish its commitment to a moratorium on missile launches;
2. *Expresses* its support to progress of the Six-Party Talks and call upon international community to contribute to the peaceful solution of the DPRK nuclear issue and to remain attentive to the DPRK's nuclear program, aiming not to trigger a return to armament race;
3. *Urges* the DPRK to return to the NPT and assume all obligations therein in order to increase confidence and transparency;
4. *Suggests* the creation of a forum, supportive to the Six-Party Talks consisting of Asian States to discuss a possible course of the solution of the issue and to improve the opportunities for negotiations with the DPRK;
5. *Remains* seized of this matter.
